# Milam Grand Jury Drops Investigation of Talasek

The much-publicized April session of the Milam County Grand Jury, which met several times during that month to investigate certain business transactions of State Representative Reuben Talasek, adjourned May 1 without returning an indictment against the Bell County solon.

The Grand Jury, according to all accounts, made a thorough investigation of the transactions which had occurred in 1953, studied all records and examined a number of witnesses.

Representative Talasek is the senior State representative from Bell County, having been elected in 1952, and is now serving his third consecutive term. He is also employed as general manager of the Fidelity Trust and Guaranty Company in Temple.

## TP&L Submits Modifications On Power Rates

Several modifications in present rate schedules, resulting in minor decreases in the cost of electric service to a limited number of customers were filed by Texas Power & Light Co. with the City Council this week.

The modified schedules will become effective on bills rendered on or after May 16 according to Henry M. Siebman, TP&L manager.

"Principally, the revisions will affect the manner in which churches with air conditioning installations are billed for power service," Siebman said.

"The revisions will also provide slight reductions for a small number of residential customers, principally those using single phase central air conditioning systems," he pointed out.

Another revision filed by the company will increase the amount of credit that large power customers will receive when they provide their own transformers.

## Chamber Dinner To Honor Two

The Cameron Chamber of Commerce in cooperation with city Lions, Rotarians, Jaycees and Kiwanians will honor two district highway engineers at a dinner Monday, May 20.

E. A. Perrin, chairman of the Chamber's Good Roads committee, today told The Herald the banquet will honor retiring Engineer John E. Blair and incoming Engineer C. B. Thames.

Dewitt Greer, state highway engineer will address the gathering expected to number about 125. It will be in the basement of the First Methodist Church, Cameron, starting at 7:30 p.m.

## Weather Notes

It will be cloudy with possibility of showers today with bright prospects for another mild weekend. Temperatures ranged in the low 80's last week while only .23 inches of rain fell. Rainfall total for the year is 18.96 inches. Normal yearly rainfall is 32 inches.

## Teen-Agers Draw Driving Challenge

Hey, Hotrod! So you think you can drive! Cameron and Milam County teen-agers will have the opportunity to prove their safe driving skill May 18 in the Cameron Jaycees Road-e-o to be run on East 10th St. at Yoe High School.

Applications for entry may be obtained at the Chamber of Commerce office, The Cameron Herald or at YHS, according to Richard Williams, Jaycee project chairman.

Time and place for the written tests which precede the driving challenge will be announced later, he said.

Bill Crockett, chairman of the equipment committee, told The Herald today that all local car dealers have agreed to furnish 1957 model cars for the driving competition.

Only 50 contestants will be allowed to enter. An entry deadline will be announced next week. All entrants must be licensed drivers with safe driving records. Teen-age boys and girls may enter, Williams said.

The winners must be able to back, parallel park and steer straight ahead in enclosed areas, he pointed out.

"It's not easy to drive it. But the winner goes to Temple for the district, then state and maybe to Washington, D. C. for a chance at a \$2,000 scholarship," Williams emphasized.

## Little League Too...

# Varied Rec Program Set For City Kids

A comprehensive summer recreation program including a new Little League Baseball schedule will get underway about June 1, Leo Jackson, recreation director, told Cameron Lions Tuesday.

"But," he said, "it is easier to get the dollars to finance the program than it is adults to work with the kids."

Jackson, football mentor and athletic director at Yoe High School, was introduced by YHS Principal J. R. Young.

Besides the Little League baseball program, Jackson listed:

ONE—A four-team league for boys 8-12 in softball.

TWO—A four team softball league for senior boys 13-17

THREE—A minor league soft ball loop for boys who do not make one of the four teams in LL play.

"All of these leagues need adult managers, coaches and umpires," he continued. "Last year we had about 50 adults working in the summer program. We'll need more this summer."

Jackson and Miss Anne Hinyard will direct summer recreation for city youngsters and a Negro director will head activities for city Negro children.

## YHS Scores 9 Firsts

# Yoe Band Wins Sweepstakes

The YHS band Friday won the sweepstakes title in Region III competition by taking first in concert and sight reading.

Director Francis Cox said this week that Cameron's perfect scores in the band events at Waco Hall, Baylor University, brought the first sweepstakes award to the Yoe bandmen.

First ratings were the order of the day as seven soloists and ensembles also took top ratings.

Nine seconds and one third completed Cameron's top showing in the two-day event under the auspices of the University Interscholastic League.

The sweepstakes award, Cox said, was presented for the first time this year in the regional.

Judges Commend Showing

Judges comments on Cameron's

performance in concert and sight reading ranged from "beautiful tone" to "one of the finest bands I have heard in a long time."

YHS's band was commended on its "beautiful blend and balance throughout" and on playing "the march with confidence, excellent tone quality, good balance, effective dynamic contrast and musical style."

These were among many congratulatory comments Cox quoted from the judges' comment sheets.

Following are names of Yoe solo and ensemble winners:

**Firsts**  
Marye Horstmann, saxophone solo; Carole Heitman, contrabass clarinet solo; Nan Reno, piano solo; Marilyn Hughes, piano solo.

Also the French horn quartet composed of Franklin Moore,

## Sign 'em Up

Pre-registration will be held 2:30 to 4 p.m. Monday and Tuesday for 6 year olds at Ben Milam School, according to Leon Brady, elementary school principal.

Brady urges that parents having children starting school next year to register them next week. He said it will save a lot of time next fall.

He asks that parents bring their children's birth certificates and immunization records.

## Total Not In

# Milam Farmers Out Replanting Washed Fields

Milam County farmers were replanting their washed-over fields in low areas to hegarhi this week, according to County Agent J. D. Moore.

Total crop damages cannot be estimated for several more weeks until the farmers can determine future weather conditions and see how their various crops will turn out, Moore declared.

Maize crops where flood damages have not been too great are again cultivated by the lowland farmers. Cotton producers, however, are having to wait to see the extent of damage before they can replant or continue cultivation.

Some of these areas are still too wet to enter with farm machinery, he indicated.

Greatest damage in the Milam County bottom lands has been done to produce crops such as tomatoes and cantaloupes according to reports received thus far. However, acreage planted to these crops is not nearly so extensive as that in small grains and cotton.

Estimate of cattle losses in agricultural offices here indicate about 150 head lost.

## Two Dogs Suffer From Poisoning In East Cameron

Two dogs suffered from strychnine poisoning last weekend in east Cameron.

Animals belonging to James Wiggs, 607-B East Sixth St., and Dr. George Bowman, 613 East Seventh St., were discovered poisoned by their owners.

Both dogs were saved by local veterinarians who administered counter-agents to the animals. Dr. Bowman's dog is a Weimaraner while Wiggs' is a half Collie pup.

Both men said that the dogs ate poisoned frankfurters which were picked somewhere in east Cameron.

**BROILER AWARDS ACCEPTED** — Chamber President Ben Magness (far right) smiles his approval as three of the top winners in the C of C's Broiler Show Saturday study their check prizes. From left they are Reserve Grand Champion Charles Yount (back to camera), his father, Charles Yount,

Sr.; Sponsor Ray Burke and his second-place winner in roosters, Hal Lester Senkel; Sponsor Henry Michalka and his second-place winner in pullets, Dennis Moraw. Grand Champion Nolan Keen and his sponsor, Wiley Loughmiller, were not available for the picture.

# Milano 4-H'er Wins Broiler Show First

Nolan Keen, Milano 4-H Club member, won the grand champion award in the Cameron C of C Broiler Contest Saturday while the reserve grand championship went to Charles Yount, Thordale 4-H Club.

They headed a list of 20 winners who received awards for top pullet and rooster entries Saturday night at a banquet at Simon-George Hall. More than 200 sponsors, growers and guests attended the banquet.

Keen's sponsor was Wiley Loughmiller, city school superintendent. Sponsor for Yount was Steve Rieger.

Ben Magness, Chamber president, presented the awards totaling \$122.50 to the winners. Show Judge E. D. Parnell, Texas A&M, commended the showing of the 100-entry field and advised methods to improve showing of birds next year.

Leo Fuchs, Chamber poultry committee chairman, told the audience that the show had grown in four years from 21 entries to this year's total of 100. All sponsors for the show are Chamber members.

Serving with Fuchs on the Chamber committee were Roy Wright, J. D. Moore, Pat Kelly, Lester Byrd, Charles Brady, Charles Burke, Mangness and F. M. Davis.

Magness pointed out that Thordale had 42 entries this year, including nine of the 20 winners.

## Installation Set For New Pastor Of 1st Christian

The Rev. Walter R. Grimes, new minister of the First Christian Church, will be formally installed 3 p.m. Sunday at a installation and dedication service.

The Rev. Charles Davis, minister of the First Christian Church, Mexico, will deliver the installation sermon.

Other guests who will participate in the program are: The Rev. Roy Brewton, First Christian Church, Rockdale; Oran Barnett, First Christian Church, Holland; and The Rev. John Solomon of the First Presbyterian Church, Cameron.

A reception for Rev. Grimes will follow the service in the Fellowship Hall of the church.

The public is cordially invited to attend.

Here are the top 10 winners and sponsors in rooster entries:

First, Nolan Keen, Milano 4-H, sponsor Wiley Loughmiller; second, Hal Lester Senkel, Buckholts, sponsor Burkes Variety Store; third, Herman Mueck, Cameron FFA, sponsor Moseley Variety Store; fourth, Lanell Moraw, County-Wide 4-H, sponsor, Wied Hardware; fifth, Henry Tomasek, Ad Hall 4-H, sponsor Drs. James Watson and George Bowman.

Sixth, Larry Gillman, Ad Hall 4-H, sponsor Leo Jackson; seventh, W. A. Granzin, Thordale FFA, sponsor Pete Simak; eighth, James Fisher, Thordale 4-H, sponsor E. J. Manning; ninth, Pat Wallace, Buckholts 4-H, sponsor Dr. E. O. Smith; and tenth, Jerry Fisher, Thordale 4-H, sponsor Forbes Grocery.

Winners and sponsors of the 10 top pullet entries were:

First, Charles Yount, Thordale 4-H, sponsor Wiley Loughmiller; second, Dennis Moraw, St. Anthony 4-H, sponsor Michalka Motors; third, Durwood Tucker, Thordale 4-H, sponsor Humble Oil & Refining; fourth, Johnnie Ray Richter, St. Anthony 4-H, sponsor Duncum Motors; fifth, Eugene Michalka, Cameron FFA, sponsor Don Humble.

Sixth, Marie Hill, Thordale 4-H, sponsor Fikes Service Station; seventh, Donald Turner, Thordale 4-H, sponsor Starrett Hickman; eighth, Buddy Inge, Buckholts 4-H, sponsor Max McClaren; ninth, Tim McCullum, Thordale 4-H, sponsor Safeway Store; and tenth, Verlie Lincoln, Thordale 4-H, sponsor L. D. Barnes.

Special awards in the pullet division for heavy flock went to James Pavalek, St. Anthony 4-H Club, and to Bobby Rosenthal, Thordale 4-H Club, for best feed conversion.

Jeanette Richter, County-wide 4-H Club, won first place in student judging contest. Ernest Harwell, Cameron FFA, placed second.

## Prom To Open Grad Activities For '57 Seniors

Seniors and juniors tonight will don their best for the junior-senior banquet and prom beginning with the dinner at Simon-George Hall. St. Rita Circle will serve the group.

Following the dinner, juniors and seniors will go on to Yoe High School Gymnasium for the annual prom. Music will be furnished by the Sam Kennedy orchestra, Temple.

Both classes, along with all city students, were away from classes today during the annual Yoe Day holiday.

The senior class tomorrow will leave for Galveston and the first over-night senior trip for YHS seniors, according to J. D. Young, YHS principal.

They will stay overnight at the Buccaneer Hotel, Galveston, and return to Cameron Saturday.

## June 1 Deadline Set For Transfer

June 1 is the deadline for transferring children from one school to another, according to Hinton H. Pruett, superintendent of county schools.

# Doll Display Shows International Touch

(Third in a series of hobby features currently running in your Cameron Herald.—Ed.)

Mrs. R. L. Batte, Sr., Cameron, has long been noted for her writing interests, but many Milam Countians probably did not know of her exquisite collection of dolls.

Author of "Milam County, Texas," Mrs. Batte proves her varied interests in a display of her doll collection being shown in Dunpepper's Jewelry Store in downtown Cameron.

**International Touch**  
Dozens of fragile dolls show the delicate touch of dollmakers' skill from Japan to North America.

Each doll depicts the clothing styles of the period during which it was made. Each reflects the touch of the artisan's love for detail.

One of her favorites made from kid leather, is 100 years old. The

## Bigbee Requests Approval For Five Measures

The City Council Tuesday night approved removal of the traffic "buttons" at city intersections and voted a budgeted \$1,500 for lights for the Negro athletic field in northwest Cameron.

They also voted to remove the traffic light at Batte and College Sts. after hearing District Engineers C. B. Thames and John E. Blair explain its earlier installation as a violation of state highway planning procedure on FM 1600.

In a four and one-half hour meeting, the Council also acted on the following requests from Public Works Director W. D. Bigbee.

**One** Authorized installation of street lights at Nolan and 10th Sts., and Adams and Sixth Sts.

**Two** Okayed purchase of two city maintainer tires and asphalt oil for street repairs.

**Three** Gave Bigbee authority to begin negotiating for water and utility lines easements.

**Four** Approved cutting of weeds on private lots when city is asked and paid for doing work.

**Five** Nodded approval for the City to spray one lot and pick up garbage at one home just outside the city limits. They reserved the right to stop service outside city limits if too many seek the services.

**\$1 Dump Charge Dropped**  
Councilmen also voted to remove the \$1 charge for dumping trash at the city dump. Much misinterpretation, they agreed, had caused people to take their trash elsewhere for dumping.

Also read was a letter from a city official in Cisco, Texas, who sought a copy of the Cameron city budget for study.

He said in his letter that he had noted in a state municipal publication that Cameron was operating on a lower budget than Cisco which is about the size of Cameron.

City Secretary Wayne Wieser read the monthly operating report on city departments and pointed out that expenses for the first month of the fiscal year totaled \$4,645.50, leaving about \$43,000 or the remaining five months.

**Call For Warrants**

Councilmen also voted to require Traffic Judge Roy Baskin issue warrants on traffic tickets so that city police can collect \$1 fines on old parking tickets.

Also approved was a resolution approving rate reductions tendered by Texas Power & Light which will affect some city churches and buildings having large air-conditioning units.

head has black China hair.

Another she calls Wilmina boasts blond tresses and delicate black lace over a taffeta dress. Wilmina is about 85 years old.

Still another is made of buckeyes. Then there is one doll completely crocheted and dressed in the traditional cowboy outfit.

Other unusual materials used in one pair of dolls include painted screwdrivers dressed in peasant clothes.

**Colonial Pair Handsome**  
Perhaps the most exquisite of all is a pair of dolls dressed in the colonial finery of the 18th century.

It is no wonder, then, that passersby pause for a careful glance at the collection. They are viewing dolls from Korea, Japan, China, Germany, Italy and Mexico as well as their native land.

It is a collection that many collectors like Mrs. Batte would be happy to call their own.

## Congratulations Are In Order

Yoe High School has scored more honors for Cameron in state competition.

YH's fine high school band Friday literally walked off with the honors including the sweepstakes title against an array of fine bands at Baylor University.

To earn the coveted sweepstakes honor Yoe bandsmen won firsts in concert playing and sight reading while soloists and ensembles swept seven firsts, seven seconds and one third.

We think it is an outstanding performance by an outstanding organization. Band director is Francis Cox.

Add the band's showing to literary and track performances earlier this spring and you have a highly successful season for YHS performers.

We believe the students' performances in various activities reflect commendable efforts on the part of faculty members at YHS. We believe faculty and students alike deserve Cameron's heartiest congratulations.

The Herald joins in applauding YHS accomplishments. There have been many this year.

## THE LITTLE RIVER PHILOSOPHER

Sage Would Try Monotony  
Of Fixed Calf Prices

By J. A.

(The Little River Philosopher discusses the cattle business this week, a subject he's as much an authority on as he is the international situation, if you follow us.—Ed.)  
Dear editor:

I didn't have anything to do the other afternoon, or rather I had plenty to do but wasn't interested, and went into town to sort of break the monotony and while I was there I borrowed a newspaper off the cafe counter and the first thing that caught my eye was an article about a proposal to nationalize the cattle business.

According to him, if the oil industry can prorrate oil production, which as I understand it means control the amount of oil anybody with an oil well can take out in any one month, and thus maintain the price of oil at around \$3 a barrel, then farmers and ranchers can prorrate the cattle business, control the number of calves being raised, and hold the price of a steer at 33 cents a pound.

However, he went on, this might get awfully monotonous, selling cattle at 33 cents a pound year after year, and might detract from the present system whereby a man doesn't know when a calf is born what it'll be worth at sell-

ing time. He said it might take the adventure out of cattle raising.

Well, now, I'll tell you, getting 33 cents a pound for a steer might get monotonous to some people, but as far as I'm concerned it aint near as monotonous as getting 15 cents one year, 12 the next, 18 the next, etc.

To some people, raising a calf to market age may be an adventure, but as far as I'm concerned the adventure comes after you sell him for a profit and start figuring what you'll do with the money.

I know from experience that there's a certain amount of adventure in raising cattle, even scrub cows, in looking after them, watching the calves grow while you sit in the shade and speculate, figuring when it's time to load em up and head for market, but the big adventure comes when you set your check, and one of the most monotonous things on earth is getting one smaller than you figured.

If this fellow can figure out how to guarantee me a price of 33 cents a pound for calves, year after year, tell him to go ahead, I'll bear up under the monotony of it.

Yours faithfully,  
J. A.

## Your Capitol Report

# Drought Breaks With Deluge Of Rain Followed By Tornadoes

By Vern Sanford  
Texas Press Association  
AUSTIN — Worst drought in Texas history is broken. After seven pinched years farmers look out over soggy fields and talk of "bumper crops."

But the troublesome drought had a troublesome end. Tornadoes, cloudbursts, hail and floods brought loss of lives and property damage in the millions.

Spring planing is reported far behind schedule in many areas. In others, washed out fields will have to be re-sown. And despite the deluge, some dry pockets were noted by agriculture officials, notably in far West and Southwest Texas.

But most reports reflect sober optimism. J. E. Sturrock, manager of the Texas Water Conservation Association warned that the next drought, probably in 15 years, will be worse unless precautions are taken now. Water must not be allowed to race off into the Gulf, he said.

And Agriculture Commissioner John White issued a comment not heard in years. He said the fields "needed sunshine."

### FOR NEXT TIME

As rain fell in sheets and rivers boiled over into the bottoms, lawmakers debated how to build a bulwark against future dry spells.

Water program sponsors contended an earlier conservation program might have prevented much of the flood devastation. Plan for a \$200,000,000 fund to

help local district build conservation projects was approved by the House in final form. But Senate opposition slowed progress of another proposed bond issue which would allow state to buy storage space in federal reservoirs. It was cut from \$200,000,000 to \$100,000,000.

### BEAT THE CLOCK

Time is now the main enemy of an unpassed bill in the Legislature. Any measure that gets caught on the smallest parliamentary snag is likely to die there in the stampede to finish.

During the next week legislators can be expected to show their ingenuity in creating snags to sidetrack unwanted bills. Some favorite devices are sending measures from one committee to another, to subcommittee or loading them with controversial amendments. In the Senate, of course, the old reliable is the filibuster which forces other members to give up so they can get on to other things.

Matched against this foot-dragging will be the furious efforts of bill sponsors to "beat the clock."

Seasoned observers now are looking for adjournment of the Legislature about May 17. Appropriation bills will be the determining factor, and principally the teachers pay bill. If it looks as though no satisfactory agreement can be reached, or that a tax bill is necessary after all, lawmakers

may throw in the towel and go home on May 10, looking to a special session to iron out these knotty problems.

SEGREGATION FIGHT DUE  
House-passed segregation bills moved forward in the Senate, but still face a filibuster threat.

Five of the nine bills were sent from Senate State Affairs Committee to the floor. There two senators, Henry Gonzales and Abraham Kazen, Jr., say they'll fight as long as their breath holds out.

A large but orderly crowd attended the committee hearing. House sponsors and a spokesman for Former Gov. Allan Shivers' advisory committee on school segregation spoke on behalf of the bills. Representatives of various church groups, organized labor and several Negroes spoke against them.

Then renewed pressure from Governor Daniel brought a promise from subcommittee chairman Ohio Bristow to report out "some kind" of reorganization bills. But Bristow observed, he couldn't see what the two bills under consideration would do except throw the present commissioners out of office. Governor Daniel has strongly urged starting over with a "clean slate." He reportedly has said he will call a special session if a reorganization bill isn't passed.

## Sermon Of Week . . .

# First Things First In Faith

by Rev. H. M. Bowley, Pastor  
Gospel Tabernacle

In this day and age men seek many things. Some for fame, some for riches, some power, and pleasure. Yet they are not satisfied, there must be a reason.

Jesus said: seek ye first the Kingdom of God and his righteousness; and all these things shall be added unto you, Matt 6:33. Of course this particular scripture

has reference to our food, drink, and clothing, especially those of the household of faith.

Surely if it is necessary for the believer to seek the Lord, much more the unbelieved. Isa says: Seek ye the Lord while he may be found, Call Ye upon him while he is near, Isa 55:6.

If ye then be risen with Christ, seek those things which are above where Christ sitteth on the right

hand of God. Set your affections on things above, not on things on the earth. For ye are dead, and your life is hid with Christ in God. When Christ, who is our life, shall appear, then shall ye also appear with him in glory. Col 3:1-4.

Mr. and Mrs. Dudley Battle spent Sunday at Nolanville in the home of a daughter, Mr. and Mrs. O. C. Byrd.

# Something OLD.. Something NEW

A marriage is made of many things — the cherished traditions, so old in their wisdom — the newness of young faith in the future — a faith to be fulfilled in the happy cooperation of planning and working for tomorrow together. Put those plans on firm financial ground by budgeting carefully, saving regularly, shaping a secure future for yourselves and your family. Get the savings habit from the start. Best time to open a savings account is now! We pay 3% interest.

## A Tribute -- To Our Nurses

The spirit of Florence Nightingale lives on today in countless homes and hospitals throughout this community. Working long hours, faithful and efficient, the nurse exemplifies the finest qualities of modern womanhood. What a blessed comfort it is to know that she, in her immaculate, starched uniform and cap, is instantly at your bedside at the touch of a button. Her happy smile and air of authority bring renewed confidence and hope to the most discouraged of patients. She is a practitioner of love and indispensable to the medical fraternity!

WE SALUTE OUR TOWN!

### Mrs. Alvin Dusek Addresses B&PW Names Economist To Serve Here

Mrs. Alvin Dusek was guest speaker for the Business and Professional Womens Club when they met at the Episcopal Parish Hall Monday night.

Miss Louis Randolph introduced Mrs. Dusek who spoke on flower arrangement and judging. Mrs. Dusek stressed "You don't have to be an expert to have fun arranging flowers".

She showed four of her flower arrangements explaining the design and how they would be judged.

Refreshments of fruit punch, cookies and nuts were served by Miss Louis Randolph, Miss Mary Randolph and Mrs. Dott Jeter. The serving table was decorated with an arrangement of red roses.

Mrs. Roberta Bowling, president, announced that there would be a business meeting May 20th for election of officers.

### Russells Honored By 1st Baptists At Church Sunday

The First Baptist church held a reception Sunday evening in the educational building honoring Rev. and Mrs. A. F. Russell on their 5th anniversary with the Cameron church.

Forming the receiving line were Rev. and Mrs. Russell, Mr. and Mrs. Jimmy Asher and the active deacons of the church.

Ben Magnus, president of the church Brotherhood presented the Russells with a place setting of their silver.

The Womens Missionary Society served punch and cookies from a banquet table decorated with pink roses.

### Lone Star Gas Names Economist To Serve Here

Appointment of Miss Joy Faith Summers of Waco as home economist to serve homemakers in Cameron and some 34 other cities and towns in Lone Star Gas Company's Bryan, Cameron, Marlin and Gatesville Districts has been announced by R. H. Gray of Waco, South Texas regional manager.

A native of St. Louis, Mo., Miss Summers is a recent graduate of Baylor University with a Bachelor of Science Degree in Home Economics. She is the daughter of Dr. and Mrs. C. C. Summers of Paragould, Arkansas.

A member of the Baptist Church, she lists her hobbies as playing the piano and reading.

Gray said that Miss Summers would call on homemakers to explain care and operation of automatic gas appliances and conduct sales floor demonstrations for gas appliance dealers. She will be available to schools and clubs for

## Forgery Suspect Awaits Hearing

Sheriff Carl Black placed a 23-year-old Negro in the County Jail last week after picking him up in Brownfield on charges of check forgery.

Black said that Emmett Loyd, about 23, faces charges of forging two checks totaling \$85.68. He said Loyd was unable to make bond and awaits hearing.

Sheriff Black said Loyd has a previous conviction for theft.

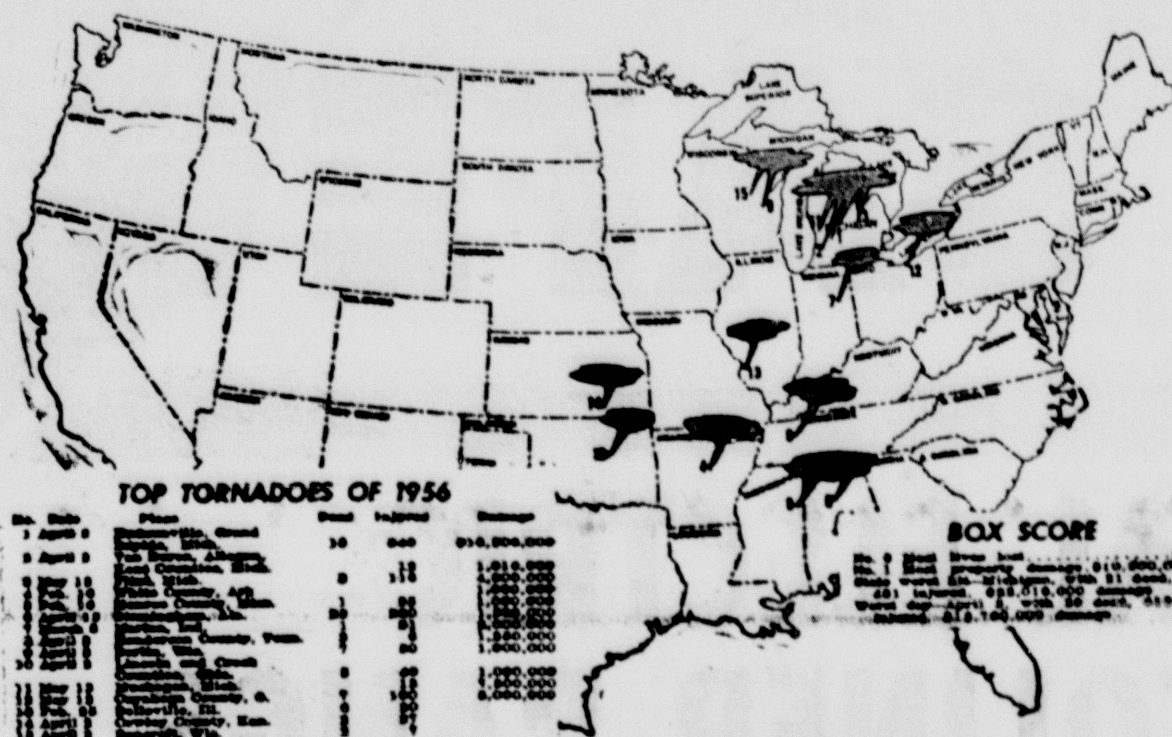

The two checks, cashed in Cameron, were for \$49.84 and \$36.84, Black said.

## Presbyterians Honor Five Spring Grads

Members of the First Presbyterian Church Wednesday held a family night supper to honor graduating seniors.

Cited were Seniors Emory Camp, Ann Knipp, Billy Knipp, Gene Newman and Johnny Solomon.

Representatives from the Faith and Life Community, Austin, gave the program.

**MAJOR TORNADOES OF 1956**, as compiled from preliminary Weather Bureau data, clearly point to Spring as a time for special watchfulness by residents of the central United States—the world's most dangerous tornado area. Civil defense units are on special call throughout this vast region for possible rescue work. In addition, if a tornado-hit locality is declared a major disaster area by the President, as happened in Numbers 1, 2, 3, 4, and 10 above, the Federal Civil Defense Administration can provide funds to aid communities in temporary repair of public facilities. ## Small budgets love big Fords

You don't have to be rich to enjoy fine-car luxury. The new kind of Ford is America's lowest-priced\* big car... yet it offers the beauty, V-8 GO and luxury ride of cars costing far more!

If you love big-car performance you'll love our '57 Ford.

If you love *thrill* you'll love our '57 Ford. No car ever before has offered such perfect blending of big-car luxury and small-car price.

Once you take the wheel, you'll discover how the "Inner Ford" gives you the kind of ride you have experienced before only in cars costing far more. You'll find its advanced-

design chassis and lower center of gravity let it corner as if it were on rails... that its engine is as responsive and nimble as a polo pony. Six or V-8 the going is great!

But even though this Ford handles like an expensive car, it's still priced Ford-low. In fact, model for model right across the board, the 1957 Ford is the lowest priced of the low-price three!

Ford is worth more at trade-in time. And when you go to trade your Ford, you'll find Ford's traditionally high resale value makes it worth more at that time, too.

Why not come in and Action Test this fun-lovin', budget-lovin' Ford? Why not come in and see it today?

### Milam Oil Scene

## 1st Pump Set On New Well East Of City

A pump was set on a producing oil well last week on the A. W. Bickett farm, about two and one-half miles east of Cameron.

Oil company sources were not available for comment, but Mrs. Leonora Bickett said the pipe was set at 1091 feet after three weeks of drilling.

Earlier reports showed that the well had produced from a zone above the lowest depth of the well. Tanks were set up this week.

In other parts of the county, two other wells are in the process of drilling.

Reports said that drillers were moving onto a site on the York farm property about 12 miles east of Cameron and near Hanover.

And another well site has been selected on the Baskin property three miles west of Cameron on SH 36.

# Local Schools Mark Yoe Day Thursday

Representatives of all Cameron city school classes joined in commemoration ceremonies today to honor Mr. and Mrs. C. H. Yoe, donors of Yoe High School and grounds.

Yoe Day began with a procession of student representatives going to the Yoe grave site in Oakwood Cemetery where members of the YHS student council decorated the graves with flowers.

The flowers were furnished by students of Ada Henderson School. A brief commemoration service was read followed by the playing of taps by a trio of cornets from the YHS band.

Students were given the remainder of the day off as requested in the will of the builders of Yoe High School.

Yoe willed the school to Cameron, providing the property and building. His will requested that a memorial service be held each May to commemorate the donation. He was a local contractor and businessman.

Ben Milam representatives were Rebecca Smith, Thomas Loughmiller, Jeanine Ryals, David Edwards, Betty Barr, Al Heft, Jane Burnes, David Barrett, Vicki Hannon, John Glass, Kathy Gerner, Jack McKinney, Steve Smith, Barbara Jackson, Jamie Corley, Jack Glass, Linda Carol Schneider, Calvin Witt, Frank Dohnalik, Karen Fontaine, Patricia Ann White, Mark Humble, Sue Holland and George Pool.

Ada Henderson representatives included: Betty Jo Brashear, Lawrence Laffera, Suzanne Edmonson, Elifor Thompson, Marilyn Rosler, Thomas Layne, Linda Angell, Craig Reavis, Shirley Baker, Jackie Stidham, Barbara Woodman, Craig Wallace, Eugene Taylor and Mary Johnson.

Also Mary Ann Rice, James Cook, Randolph Hrachovy, Linda Camp, Kay Harris, Alton Crouch, Billy Hawks, Betty Sue Vann, Steve Malone, Betty Kastenbaum, Joe Harbor, Annette Dodd, Sarah Rivers, Norvell Barrett, Carolyn Koenig and Luther Edmonson.

## Milam Theatre Showing '2 Years Before The Mast'

Milam Theatre is showing "Two Years Before The Mast" for the final time tonight.

The famous sea epic stars Alan Ladd, Brian Donlevy, William Bendix and Barry Fitzgerald in the Paramount production.

Tomorrow and Saturday Milam brings to the screen a doublebill of "Rock, Pretty Baby!" and "Rumble on the Docks," two teen-age action-packed pictures.

Sal Mineo and John Saxon star in "Rock, Pretty Baby!" with Luana Patten also sharing the lead. In "Rumble on the Docks" James Darren heads the cast of the Columbia picture which also stars Laurie Carroll.

Starting Sunday for a three-day run May 12-14 is a western extravaganza "The Big Land" in WarnerColor. Alan Ladd, Virginia Mayo and Edmond O'Brien star in the Warner Brothers production.

Coming next Wednesday and Thursday at the Milam Theatre is "Spring Reunion" starring Dana Andrews and Betty Hutton. Jean Hagen also has a starring role in the United Artists release.

## Workers 50-65 Now May Get SS Benefits

Applications for cash payments to disabled workers between age 50 and 65 are now being accepted, John Dickenson, Manager of the Bryan social security office, said today.

The 1956 Amendments to the Social Security Act include a provision making it possible to pay benefits to severely disabled workers beginning July, 1957.

Totally disabled workers of any age who have worked regularly under social security should inquire about protection of their rights if they have not done so, Mr. Dickenson urged.

Dickenson said that in order to receive disability benefits a worker must: (1) have reached his 50th birthday.

(2) Be so severely disabled that he is unable to do any substantial gainful work.

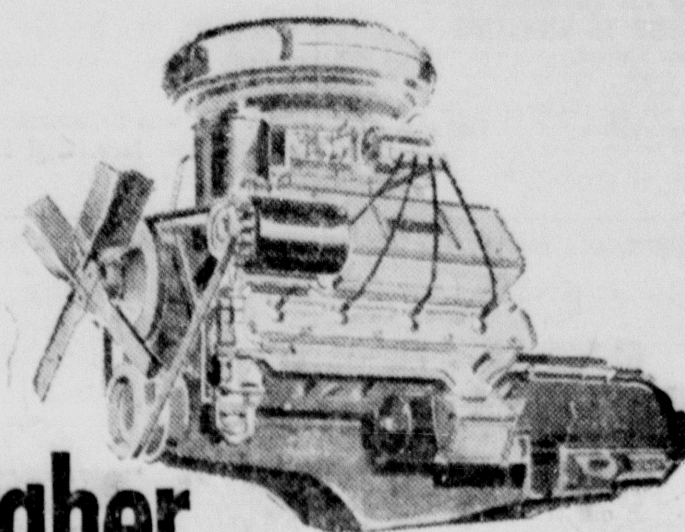

(3) Have been disabled for at least six months.

(4) Have had at least five years work covered by social security in the ten years before the onset of disability, and

(5) Have worked at least one and one-half years in the three years just before becoming disabled. A worker whose disability is temporary or partial is not eligible for disability payments.
